

# **GEOGRAPHY HOMEWORK**

## **TOPIC -DIRECTIONS**

Your Homework for today is to do the activity yourself. The best way to learn is by doing it.

Think and Tell--

You can close your eyes and imagine you are in school.

Ques-If you are facing the swimming pool , your right hand points towards the Sun which is the east direction. This would be pointing towards the Senior School building. Which part of your school lies to your west, north and south ?

Write down the answer and click a picture.

Please upload it on my google classroom.

Waiting eagerly for your answers.
